The Jewish Cultural School (JCS) is a cooperative, non-profit school and community. Parent involvement is crucial to your child's educational experience. We often need and always appreciate parents to volunteer some time and effort toward special functions throughout the year.

By signing below and enrolling my child in the JCS, I understand that I am responsible for: 1) attending parent meetings, 2) transporting my child to and from the JCS and 3) timely tuition payments. I recognize that photographs taken at JCS functions may appear on our website (www.jewishculturalschool.org).
